

Discover IEEE Xplore Digital Library

University of Luxembourg - Campus Kirchberg

5 May 2010 / Room Paul Feidert / 4 pm

You are invited to a special tour of the new, redesigned IEEE Xplore Digital Library, launched in February 2010. During this session with Rachel Berrington, a professional librarian from IEEE, you can see first-hand all the new enhancements, from the efficient interface to the fast and customizable search capabilities. Plus:

- * A faster, more robust search engine
- * Post-search refinements with multiple facets
- * Ability to save multiple searches and set up email alerts
- * New type-ahead feature in every search box
- * Quick access to new content, RSS feeds, and more
