

**Political Science:  
Analytical Approaches and Concepts**

**Institute of Political Science / DTU REMS  
Doctoral Seminars  
IPSE, FLSHASE**

**Spring / Summer Term: March to July 2017**

- Political Science doctoral students enrolled in the doctoral school are **recommended to attend** these seminars and undertake assigned work in advance.
- Other political science doctoral students, doctoral students in related disciplines, DTU REMS doctoral students in Law, and MA European Governance students are **actively encouraged to attend**. Please contact Professor David Howarth (david.howarth@uni.lu) to confirm your attendance.
- Readings for each seminar and additional information will be provided at least one week prior to the seminar.
- We recognize that some students will not be able to attend all the sessions. For those students hoping to obtain credits for this disciplinary course, they are expected to attend at least 12 sessions.
