ACADEMIC DEGREES AND PROFESSIONAL QUALIFICATIONS

- | | |
|------|--|
| 1983 | Diplom in Psychology (First Class)
(equivalent to MSc)
University of Landau |
| 1988 | Ph.D.
Department of Psychology, University of Hamburg |
| 1997 | Habilitation in Psychology and Clinical Psychology
(Professorial qualification)
Department of Psychology, University of Marburg |
| 2000 | Charter in Clinical Psychology and Charter in Health Psychology
(Statement of Equivalence in Clinical Psychology)
Membership and Qualifications Board, The British Psychological Society |
| 2006 | Health Psychology Stage 2 Supervisor recognition
Division of Health Psychology, The British Psychological Society |
| 2011 | Registration with the Health and Care Professions Council
(HCPC) (UK) as Practitioner Psychologist (Clinical Psychologist,
Health Psychologist) |
| 2013 | Recognition as Applied Psychology Practice Supervisor (Clinical Psychology, Health Psychology, Teaching and Research)
Membership and Qualifications Board, The British Psychological Society |

RESEARCH AREAS

Clinical Psychology, Health Psychology, Biological Psychology, Psychophysiology, Behavioural Medicine

RESEARCH GRANTS

- 1985: *Physiological and subjective stress responses in surgical patients* (Studienstiftung des deutschen Volkes, term 3 years). - PI
- 1987: *Cardiovascular, electrodermal and endocrine reactions in passive coping situations* (DFG, term 1 year). – Co-PI.
- 1988: *Palmar sweat gland activity (PSI) under laboratory stress conditions: An examination of methodological issues* (UCB Pharmaceuticals, Brussels, term 1 year). - PI
- 1993: *Psychophysiological reactions to achievement stress and interpersonal conflict in patients with bulimia nervosa* (DFG, term 3 years, DM110.000). – Co-PI
- 1994: *Reliability and prognostic validity of cardiovascular reactivity to mental stress* (DAAD, term 2 years). – PI.
- 1996: *Psychophysiological reactivity and malnutrition status in bulimic patients* (DFG, term 3 years, DM164.000). – Co-PI.
- 2005: *Emotion regulation and health risk behaviours in children* (Alfried-Krupp-Science Foundation, term 5 months, €37.150). - PI
- 2005: *Understanding the role of the home environment in promoting obesity in “at risk” children* (Joint Innovation Fund, Universities of Surrey and Roehampton, term 1 year, £29.530). - PI
- 2007: *Professional Development Certificate in Mental Health Assessment* (UK India Education and Research Initiative, term 1 year, £52.500). - PI
- 2009: *Behavioural models for prevention of obesity with a particular focus on children*. EU, call for FP7 projects (14 consortium partners; term: 3.5 years; total volume: €2,5 mio). - Partner
- 2010: *Emotion Regulation and Decision-Making: Self-regulation in Practice*. Université du Luxembourg (term 3 years, €309.000). - PI
- 2011: *Neurophysiological correlates of body image disturbances in Anorexia nervosa*. Fonds National de la Recherche (AFR PhD - FNR) (term 3 years, €111.000). - Supervisor
- 2011: *An individually adaptable, BNCI-based, remote controlled Cognitive Enhancement Training for successful rehabilitation after stroke including home support and monitoring*. EU, ICT call FP7 projects (total applied for by 7 consortium partners: €3,5 mio, Luxembourg: €625.000). - Partner
- 2012: *Self-Regulation and Pain - Psychological factors in endogenous analgesia (SEREPA)*. Université du Luxembourg (term 3 years, €151.150). - PI
- 2012: *Breathing Spaces: Relating to nature in the everyday and its connections to health and well-being (BREATH)*. Fonds National de la Recherche (AFR-FNR) and Université du Luxembourg (term 3 years, €318.000). - Supervisor
- 2013: *Attentional processing of food and body cues in eating disorders*. Université du Luxembourg (term 2 years, €67.300). - PI
- 2013: *Epigenetic effects of early life adverse events on adult pathology (EpiPath)*. Fonds National de la Recherche (FNR) and Deutsche Forschungsgemeinschaft (DFG), (term 3 years, €1.881.888). PI: Claude Muller (CRP Santé). - Partner
- 2014: *Attentional Bias to Body- and Sexually-Relevant Stimuli (BODYBIAS)*. Fonds National de la Recherche (AFR PhD -FNR) (term 3 years, €117.000). – Supervisor
- 2014: *Adolescents and Exercise: acute effects on psychological and psychophysiological responses to anger-eliciting emotional stimuli (ADOLEX)*. Fonds National de la Recherche (AFR PostDoc-FNR) (term 2 years, €111.000). – Supervisor
- 2014: *Categorical Interoception: The effect of perceptual grouping on processing stimuli from the inside (CIP)*. Fonds National de la Recherche (AFR PostDoc-FNR) (term 2 years, €111.000). – Supervisor
- 2015: *Emotional, Restrained and Bulimic Eating in Lab and Daily Life (EMO-EAT)*. Fonds National de la Recherche (CORE-FNR) (term 3 years, €789.000). – PI

- 2015: *Attention bias to internal and external sources of threat in paediatric social anxiety (ALARM)*. Fonds National de la Recherche (AFR PostDoc-FNR) (term 2 years, €114.000). – Supervisor
- 2015: *Social rejection in early childhood and its effects on stress responses in later life (REJECT)*. Fonds National de la Recherche (AFR PhD -FNR) (term 31.5 months, €111.000). – Supervisor
- 2015: *The role of attachment and parental representations on mental health and wellbeing in adolescents (ATTACH)*. Fonds National de la Recherche (AFR PhD -FNR) (term 3 years, €120.000). – Supervisor
- 2016: *Categorical Interoception Project: How generalization and classification strategies link anxiety and interoception (CIP)*. Marie Skłodowska-Curie Actions, Individual Fellowships, Horizon2020 (term 2 years, €160.800). – Supervisor
- 2016: *PainDynamics: Research on the dynamics of attention bias for pain in daily life (PainDynamics)*. Marie Skłodowska-Curie Actions, Individual Fellowships, Horizon2020 (call H2020-MSCA-IF-2015) (term 2 years, €172.800). – Supervisor
- 2016: *Perceptual inference as a core mechanism of mindfulness: implications for pain regulation (PI-MIND)*. Fonds National de la Recherche (AFR PhD -FNR) (term 3 years, €120.000). – Supervisor
- 2016: *How does food taste in anorexia and bulimia nervosa? (FoodTaste)*. Swiss Foundation of Anorexia Nervosa (term 2 years, CHF164.517). – Partner
- 2017: *Sexual health and emotion regulation: investigating a reciprocal relationship (SHER)*. Fonds National de la Recherche (AFR PhD -FNR) (term 3 years, €120.000). – Supervisor
- 2018: *Mental comorbidity, interoception and emotion regulation in chronic pain patients (EMO-PAIN)*. KMT Hamm (Germany) (term 3 years, €133.113) – PI
- 2018: *Optimization of neurofeedback treatments for patients after stroke*. PhD studentship, Doctoral Training Unit “Data driven computational modeling and applications” (DRIVEN), (FNR-PRIDE) (term 3 years, €140.000). – Supervisor
- 2018: *Mapping cognitive-mediated taste learning mechanisms in eating disorders: Toward novel translational frontiers (CogniTastED)*. Marie Skłodowska-Curie Actions - COFUND Athenea3i-2017. PI: David Garcia-Burgos (term 3 years, €180.800-). – Supervisor
- 2018: *Mobile application for physical activity: Development of a theory-based, personalized mHealth intervention for adolescents (MAPA)*. Fonds National de la Recherche (Industrial Fellowship PhD) (term 3 years, €140.000). – Supervisor
- 2018: *Financial Strain and Economic Instability: Effects on Wellbeing and Behaviour over the Life Course (FESI)*. Fonds National de la Recherche (Industrial Fellowship PhD) (term 3 years, €617.838,75). – Partner.
- 2018: *Flexibility in attention for pain over changing contexts and its impact upon poor pain outcomes: An experimental investigation and training approach (PainFlex)*. Fonds National de la Recherche (CORE Junior Track) (term 3 years, €607.000). – Local advisor.

SCHOLARSHIPS AND HONOURS

- 1981 - 1987 Scholarship, Studienstiftung des deutschen Volkes
- 2005 Fellow, Alfried-Krupp-Wissenschaftskolleg Greifswald, Germany
- 2006 Associate Fellow, British Psychological Society
- 2007 Fellow, Royal Society of Medicine (UK)
- 2009 Enterprise Fellowship, Roehampton University, London

Numerous travel grants: DFG (1993, 1996), Royal Society (1991, 2004), UK-India Education and Research Initiative (2007)

Honorary positions: *Past*: Universities of Basel and Lausanne (Switzerland), Birmingham (UK), Siegen and Würzburg (Germany); *Current*: Catholic University of Leuven (Belgium); Max-Planck-Institute for Human Development (Berlin, Germany); Section des sciences naturelles, physiques et mathématiques de l’Institut Grand-ducal (Luxembourg).

EMPLOYMENT

1983 - 1984	Research Assistant Department of Psychology St George's Hospital Medical School, University of London, UK
1984 - 1987	Part-time lecturer (Scholarship award for Doctoral Qualification) Department of Psychology, University of Hamburg, Germany
1987 - 1990	Research Fellow (Medical Research Council) Department of Psychology St George's Hospital Medical School, University of London, UK
1987 - 1991	Visiting Lecturer Department of Psychology, University of Hamburg, Germany
1990 - 1991	Lecturer in Health Psychology and Human Psychophysiology School of Psychology, University of Birmingham, UK
1991 - 1997	Senior Lecturer in Clinical and Health Psychology (Wissenschaftlicher Assistent, C1) Department of Psychology, University of Marburg, Germany
1997 - 1999	Reader in Clinical and Health Psychology (Hochschuldozent, C2) Department of Psychology, University of Marburg, Germany
1998 – 1999	Deputy Professor of Clinical Psychology (Chair) Department of Psychology, University of Marburg, Germany
1999-2003	Professor of Clinical and Health Psychology (Chair) Department of Psychology, University of Luton, UK
2003 - 2010	Professor of Clinical and Health Psychology (Chair) Director Clinical and Health Psychology Research Centre School of Human and Life Sciences Roehampton University, London, UK
2010 to date	Professor of Clinical and Health Psychology (Chair) Deputy Director Research Unit INSIDE Head Institute for Health and Behaviour Chair University Ethics Review Panel Leader Research Group “Self-regulation and health” Director Master in Psychotherapy

OFFICES AND MEMBERSHIPS IN LEARNED SOCIETIES

Psychophysiology Society (UK)	Committee (1988 - 1991) Programme Secretary, 19th annual meeting, Royal Holloway and Bedford New College, 1991
Nutritional Psychology Research Group (UK)	Member
German Psychophysiological Society (FRG)	Full Member
German Psychological Society (FRG) (Sections Clinical and Health Psychology)	Full Member Chair Division of Health Psychology (2011-2013, 2013-2015)
German Society of Behavioral Medicine and Behaviour Modification (FRG)	Full Member, President (2014-2016, 2016-2018)
European Health Psychology Society	Full Member

Society of Behavioral Medicine (USA)	Full Member
American Psychological Association (USA)	International Affiliate
British Psychological Society (Divisions of Clinical Psychology and Health Psychology)	Associate Fellow Committee member Division of Health Psychology DHP representative Professional Practice Board (2001-2003) Health Psychology stage II supervisor Assessor for psychologists specialising in psychotherapy
Royal Society of Medicine (UK)	Fellow
German Society for Eating Disorders (DGEES)	Full Member
Eating Disorders Research Society (EDRS)	Full Member

SYMPOSIA AND CONGRESSES ORGANISED

1989	Symposium: „Psychophysiological Processes in Cardiovascular Disease“. Annual meeting of the Psychophysiology Society, Bristol University, Bristol, UK.
1990	Symposium: „Ambulatory Monitoring and Behaviour: Psychophysiology in the Natural Environment“. Annual meeting of the Psychophysiology Society, London, UK.
1991	Symposium: „Clinical Psychophysiology“. First European Psychophysiology Conference, Tilburg, The Netherlands.
1991	Free Communications session. Annual meeting of the Psychophysiology Society, Royal Holloway and Bedford New College, UK.
1993	Symposium (zusammen mit Craig K. Ewart): „Does Suppressing Anger Cause High Blood Pressure?“. 101st annual convention of the American Psychological Association, Toronto, Canada.
1998	Symposium: „Klinische Psychologie“. 40. Tagung experimentell arbeitender Psychologen, Philipps-Universität Marburg, Marburg.
1998	Symposium: „Experimentelle Psychopathologie“. 41. Kongreß der Deutschen Gesellschaft für Psychologie, Technische Universität, Dresden.
1999	Symposium: „Übergewicht“. IV. Symposium für gesundheitspsychologische Forschung der Fachgruppe Gesundheitspsychologie der Deutschen Gesellschaft für Psychologie, Universität Fribourg, Fribourg, Schweiz.
2000	Symposium: „Nutrition and Health“. 14 th Conference of the European Health Psychology Society, Leiden, The Netherlands.
2000	Symposium: „Depression after myocardial infarction: aetiologic mechanisms, diagnosis and treatment“. 6 th International Congress of Behavioral Medicine, Brisbane, Australia.
2001	Symposium: „Klinische Psychophysilogie“. 27. Arbeitstagung Psychophysilogische Methodik, Philipps-Universität Marburg, Marburg.
2002	Symposium: „Physiologische Psychologie“. 44. Tagung experimentell arbeitender Psychologen, Technische Universität Chemnitz.
2002	Symposium: „Cardiovascular Disease“. 7 th International Congress of Behavioral Medicine, Helsinki, Finland.

- 2004 Symposium: „Psychophysiological processes”. 8th International Congress of Behavioral Medicine, Johannes-Gutenberg Universität Mainz.
- 2005 Symposium: „Was Hänschen nicht lernt... - Gesunden Lebensstil von Anfang an fördern - Lösungsstrategien zur Prävention von Übergewicht“. Experten-Roundtable veranstaltet in Zusammenarbeit mit dem Lebensmittelchemischen Institut Köln (LCI), Roehampton University, London, UK.
- 2005 Symposium: „Body and mind interactions in self-regulation and health“. Working group on “Neurovisceral integration and heart rate variability”, Roehampton University, London, UK.
- 2006 Symposium: „Gender specific factors in obesity”. 22nd Annual Conference of the German Obesity Society, Cologne.
- 2007 Symposium: „Essstörungen und Adipositas im Kindes- und Jugendalter”. 11. Kongress der Deutschen Gesellschaft für Verhaltensmedizin und Verhaltensmodifikation, Klinik für Psychiatrie und Psychotherapie der Ludwig-Maximilians-Universität München.
- 2007 Symposium: „Adipositas im Kindes- und Jugendalter“. 8. Kongress für Gesundheitspsychologie der Deutschen Gesellschaft für Psychologie (DGPs), Pädagogische Hochschule Schwäbisch-Gmünd.
- 2008 Symposium: „Gender and health“. XXIXth International Congress of Psychology, Berlin.
- 2008 Workshop and plenary lecture with Professor Allan Hobson (Harvard Medical School): „Sleep, dreaming and consciousness”. Clinical and Health Psychology Research Centre, Roehampton University, London, UK.
- 2008 Symposium: „Ethics of research with children”. Clinical and Health Psychology Research Centre and Institute of Child Wellbeing, Roehampton University, London, UK.
- 2008 Symposium: “Healthy food and healthy choices: a new European profile approach”. 7th International Symposium on “Multiple Risk Factors in Cardiovascular Diseases”, Venice, Italy.
- 2009 Symposium with Professor Allan Hobson (Harvard Medical School): ”Dream consciousness”. Clinical and Health Psychology Research Centre, Roehampton University, London, UK.
- 2009 “Beauty – an interdisciplinary symposium”. Clinical and Health Psychology Research Centre, Roehampton University, London, UK.
- 2010/11 “Klinische Psychologie, Gesundheitspsychologie und Neurowissenschaften”. Vortragsreihe im Sommersemester 2010 und Wintersemester 2010/11. INSIDE Research Centre, Université du Luxembourg.
- 2010 Symposium: “Ernährung, Körpergewicht und Gewichtsregulation”. 47. Kongress der Deutschen Gesellschaft für Psychologie, Bremen.
- 2010 Symposium: “Methodology”. Jahrestagung der Gesellschaft für Experimentelle Wirtschaftsforschung, Luxembourg.
- 2011 13. Kongress der Deutschen Gesellschaft für Verhaltensmedizin und Verhaltensmodifikation, 29.9.-1.10.2011, Luxemburg
- 2012 30. Symposium der Fachgruppe Klinische Psychologie und Psychotherapie der DGPs in Luxemburg, 17.-19.05.2012
- 2013 11. Kongress für Gesundheitspsychologie in Luxemburg, 05.-07.09.2013

- 2017 5th Biennial Conference of the Society for Ambulatory Assessment: Digital Health in Ambulatory Assessment, 15.-17.06.2017
- 2017 Symposium: “A Show Case of the Humanities: Exploring the Topic of Temptation”. International Conference: The Ends of the Humanities University of Luxembourg, 10. – 13.09.2017

 Chair (term of office: 2016-2019) and founding member of the University Ethics Review Panel (2011 to 2019)
 Elected member of the Faculty Board (2011-2017, 2017 to date)
 Programme Director MSc Psychotherapy (2013 to date)

CLINICAL WORK

Professional training and qualifications

February 1981 – May 1981	<p>Co-therapist (Supervisor: Mr W. Trautvetter, Clinical Psychologist) Alsterdorfer Anstalten, Hamburg (District psychiatric hospital and university teaching hospital)</p> <p>Clinical assessment, individual and group therapy for adults and children with learning disabilities</p>
August 1981 – Nov. 1981	<p>Co-therapist (Supervisor: Mr R. Pingel, Clinical Psychologist) Psychosomatische Fachklinik, Evangelische Stiftung Ginsterhof Tötensen, Hittfeld (Niedersachsen) (Private psychiatric hospital)</p> <p>Clinical assessment, individual and group therapy for adult patients (including older people) with psychological disorders including mental disorders in association with neurological conditions</p>
February 1982 – May 1982	<p>Co-therapist (Supervisor: Karl Andre, Professor of Clinical and Educational Psychology, University of Landau), Erziehungsberatungsstelle Landau (Municipal counselling and therapy centre for children and adolescents)</p> <p>Clinical assessment and intervention (individual and family based) for children and adolescents with developmental, emotional and behavioural problems</p>
October 1984 – July 1987	<p>Part-time Clinical psychologist (Supervisor: B. Dahme, Professor of Clinical Psychology, University of Hamburg), Endo-Klinik Hamburg (Private orthopaedic hospital)</p> <p>Psychological preparation for surgery (as part of doctoral dissertation)</p>
March 1985 - July 1985	<p>Part-time clinical psychologist (Supervisor: Mr R. Pingel, Clinical Psychologist), Psychosomatische Fachklinik, Evangelische Stiftung Ginsterhof Tötensen, Hittfeld (Niedersachsen) (Private psychiatric hospital)</p> <p>Clinical assessment, individual and group therapy for patients with a diagnosis of mood disorders, anxiety disorders, obsessive-compulsive disorder, eating disorders</p>
April 2000	<p>Statement of Equivalence in Clinical Psychology Membership and Qualifications Board, The British Psychological Society</p>
June 2011 to date	<p>Registration with the Health and Care Professions Council (HCPC) (UK) as Practitioner Psychologist (Clinical Psychologist, Health Psychologist)</p>

April 2013 Registration as Applied Psychology Practice Supervisor (Clinical, Health, Teaching and Research)
Membership and Qualifications Board, The British Psychological Society

Employment as Clinical Psychologist and medico-legal expert witness

October 1991 - March 1999 Part-time clinical psychologist (Part-time), Christoph-Dornier-Foundation for Clinical Psychology, Marburg) (Therapy centre associated with the University of Marburg)
Clinical assessment and individual therapy for patients with a diagnosis of mood disorders, (e.g. Major Depression), anxiety disorders (e.g. Social Phobia), eating disorders (e.g. Bulimia Nervosa)

March 1992 - July 1992 Clinical Psychologist, Research project "Are comprehensive lifestyle changes possible in German heart patients?" (L. Scherwitz, Visiting research professor and J. Siegrist, Professor of Medical Sociology, University of Marburg)
Group therapy for coronary patients and their spouses

April 1994 - March 1999 Case presentations (seminars), Department of Psychology, University of Marburg
Exemplary clinical assessment and therapy with anxiety and eating disordered patients, and patients with HIV

January 1996 - July 1996 Development of a behavioural intervention program for coronary outpatients and their spouses (in collaboration with the Christoph-Dornier-Foundation for Clinical Psychology, Marburg)

Since July 1996 Group therapy with coronary patients and their spouses (in collaboration with the Christoph-Dornier-Foundation for Clinical Psychology)

2000 to date Private practice including medico-legal services

2009 - 2010 Consultant Clinical Psychologist
Hertfordshire Community Health Services (NHS)

Extra-mural teaching on post-graduate courses for Clinical Psychology

Since 1991 Visiting lecturer for Clinical Psychology
Christoph-Dornier-Foundation for Clinical Psychology, Marburg, Germany

1998 - 1999 Visiting lecturer for Clinical Psychology and Clinical Psychophysiology
University of Bonn, Bonn, Germany

Since 2002 Visiting lecturer for Clinical Psychology
University of Basel, Basel, Switzerland

Since 2002 Visiting lecturer for Clinical Psychology
University of Zürich, Zürich, Switzerland

Since 2010 Visiting lecturer for Clinical Psychology
University of Trier, Trier, Germany

SUPERVISION OF DOCTORAL STUDENTS (PH.D.)

<u>Name</u>	<u>Topic</u>	<u>Year of completion</u>
<i>Past supervision</i>

TALKS AND PRESENTATIONS

More than 600 published conference abstracts and scientific presentations.

Invited presentations (last 6 years)

- 27.1.2011 *Psychological co-morbidity in Diabetes mellitus: assessment and therapy.* Conférence Éducation Thérapeutique du Patient Diabète & Obésité, CRP Santé, Luxembourg.
- 2.2.2011 *Kann man zu viel denken? Kognitionen und Gesundheit.* Abendkolloquium, Studium Generale, Universität Mainz, Mainz.
- 15.2.2011 *Keine Gesundheit ohne psychische Gesundheit.* EOS-Klinik Münster, Münster.
- 4.5.2011 *Emotionsregulation und Essen – la liaison dangereuse.* Kolloquium Fachbereich Psychologie, Universität Landau, Landau.
- 14.9.2011 *Medien, Körperbild und Körperunzufriedenheit in der Adoleszenz und im frühen Erwachsenenalter – Diskutant.* 20. Fachgruppentagung Entwicklungspsychologie der DGPs, Erfurt.
- 27.10.2011 *Psychological factors in childhood obesity.* Symposium “Food Consumption and Public Health”, FENS 2011, Madrid.
- 8.11.2011 *Selbstregulation und Gesundheit.* Fortbildungsreihe der AHG Klinik Berus, Saarland.
- 18.1.2012 *Emotionsregulation und Essen – la liaison dangereuse.* Wissenschaftskolloquium der Klinik und Poliklinik für Psychosomatische Medizin und Psychotherapie und Schwerpunkt Medizinische Psychologie, Universität Mainz, Mainz.
- 17.2.2012 *Emotionsregulation und Essen – la liaison dangereuse.* Wissenschaftskolloquium der Arbeitsgruppe Klinische Psychologie und Psychotherapie, Fachbereich Psychologie, Universität Trier, Trier.
- 28.08.2012 *Emotionsregulation und Essen – la liaison dangereuse.* Abendvortrag, Sommerakademie der Studienstiftung des Deutschen Volkes, La Villa, Italien.
- 08.09.2012 *Klinisch-psychologische Interventionen bei chronisch-körperlichen Erkrankungen.* 20. Wissenschaftliches Symposium für Psychotherapie: “Psychotherapie ist ...? Allgemeine und störungsorientierte psychotherapeutische Verfahren im Überblick”, Klinik für Psychosomatische Medizin und Psychotherapie des LWL-Universitätsklinikums der Ruhr-Universität Bochum.
- 14.11.2012 *Can one think too much? Cognitions, cognitive style and health.* Vortragsreihe des Fachbereichs Psychologie in Kooperation mit der Salzburger Gesellschaft für Psychologie, Universität Salzburg.
- 19.12.2012 *Can one think too much? Cognitions, cognitive style and health.* Department of Experimental-Clinical and Health Psychology, Ghent University, Ghent, Belgium.
- 13.05.2013 *Emotions and eating – la liaison dangereuse.* Research Group on Health Psychology, University of Leuven, Leuven, Belgium.
- 30.10.2013 *Emotionsregulation und Essen – la liaison dangereuse.* Wissenschaftliches Symposium “Psychophysiologie in der Psychosomatik”, Psychosomatische Fachklinik St.-Franziska-Stift, Bad Kreuznach.
- 20.11.2013 *Can one think too much? Cognitions, cognitive style and health.* Center for Adaptive Rationality (ARC), Max-Planck Institute for Human Development, Berlin.
- 05.12.2013 *Can one think too much? Cognitions, cognitive style and health.* Universität Heidelberg.

- 09.05.2014 *Psychological contributions to managing diets in chronically ill patients*. XVII international congress on nutrition and metabolism in renal disease, Würzburg.
- 20.06.2015 *Self-regulation and health*. Université Catholique de Louvain, Belgium.
- 14.03.2016 *Food, eating and emotions: les liaisons dangereuses*. Keynote address, 3rd International Conference on Behavioral Addictions, March 14–16, 2016, Geneva, Switzerland.
- 21.09.2017 *Promoting health and wellbeing using nudging and boosting interventions with digital technologies*. Workshop: Health economics in the national and EU context, Luxembourg Institute of Health.
- 21.11.2017 *Von der Leidenschaft zur Sucht: über die Komplexität menschlichen Verhaltens*. 1. Nationales Suchtsymposium, Suchtverband Letzebuerg asbl.
- 27.11.2017 *Emotionsregulation und Essen: la liaison dangereuse*. Institut Grand Ducal, Luxembourg.

TEACHING

Undergraduate and postgraduate teaching in Clinical Psychology, Biological Psychology, Health Psychology, Psychophysiology, Research Design and Experimentation, and Research Methods over the last 30 years at German, British and Swiss universities, and the University of Luxembourg. A complete list of teaching sessions can be made available upon request. Programme development, validation and accreditation at British universities (MSc in Health Psychology, stage I and II) and the University of Luxembourg (MSc in Psychology; MSc in Clinical Psychology/Psychotherapy).
