

## THE UNIVERSITY

**2003**  
Foundation

**3** Faculties | **3** Campuses

**3** Interdisciplinary Centres

## OUR APPROACH

INTERNATIONAL

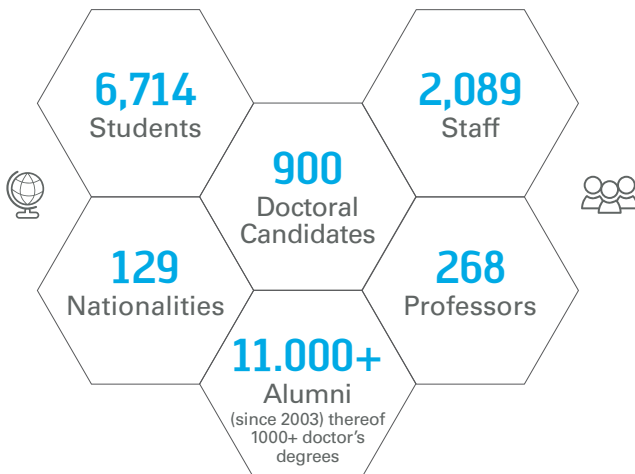

INTERDISCIPLINARY

MULTILINGUAL

RESEARCH ORIENTED

CLOSE TO EUROPEAN INSTITUTIONS, FINANCIAL INSTITUTIONS AND LEADING INDUSTRY PLAYERS

## PEOPLE

## TEACHING

**42** Master's Degrees

• Trilingual Degrees **13** •

• **14** Bachelor's Degrees •

• **28** Bilingual Degrees •

• Doctoral Schools **4** •

• Degrees entirely taught in English **25** •

• **16** Vocational Trainings •

**4** Teaching Languages   
(French, German, English and Luxembourgish)

## RESEARCH

**1,329** Academic Staff

**1,000+** Ongoing Projects

**101** H2020 projects<sup>1</sup>

**48m €** obtained funding through FNR<sup>2</sup> and H2020 in 2019

**11** ERC grants  
in Physics, Materials Science, Computer Science, Political Science, Psychology

**1,940** Publications in 2019

**62%** University's share in Luxembourg's research output<sup>3</sup>

## RANKINGS

**#3** for International Outlook in the Times Higher Education (THE) World University Rankings 2021

**#12** Young University Rankings (by THE)

**#20** Rising Young Universities (in the Nature Index)

## OUR RESEARCH PRIORITIES

Materials Science | Computer Science and ICT Security  
European and International Law | Education  
Finance and Financial Innovation  
Contemporary and Digital History | Health and Systems  
Biomedicine | Data Modelling and Simulation

<sup>1</sup>Horizon 2020 is the biggest EU Research and Innovation programme with nearly €80 billion of funding available over 7 years (2014 to 2020). <sup>2</sup>The Luxembourg National Research Fund (FNR) is the main funding organism of research activities in Luxembourg. <sup>3</sup>According to the Nature Index 2019
