

RUDI BALLING GOODBYE LECTURE SERIES

Join us in saying goodbye to Rudi!

After 12 years of being the Director of the LCSB, Prof. Rudi Balling is retiring. For this very special occasion, LCSB is organising a Goodbye lecture series to honour him.

This lecture series brings together internationally renowned scientists from different disciplines who will share their perspectives on the major challenges of the future scientific research and interdisciplinary approaches to solve them.

Rudi says
Äddi
