

Past Conferences

The Mathematics Research Unit (*UR en Mathématiques*) was host to the following conferences/workshops in Luxembourg:

2014

- Workshop on Galois Representations 2014, University of Luxembourg, 19-21 November 2014

2013

- Higher Lie Theory, University of Luxembourg, 9 - 11 December, 2013
- AA at UNILU (Algebraic Analysis and related topics), University of Luxembourg, 4 - 6 November, 2013
- ProbaGeo 2013, University of Luxembourg, 28 - 31 October, 2013
- Higher Algebras and Lie-infinity Homotopy Theory, University of Luxembourg, 25 - 28 June 2013
- Galois representations modulo prime powers, University of Luxembourg, 17 - 21 June 2013
- 85th Workshop on General Algebra, AAA85, University of Luxembourg, 30 January - 2 February 2013

2012

- Workshop on the Breuil-Mézard Conjecture, University of Luxembourg, 17 - 18 December 2012
- Conference on the Occasion of Martin Schlichenmaier's 60th Birthday, University of Luxembourg, 10 - 12 December 2012
- Workshop on Graded Algebra and Geometry, University of Luxembourg, 5 - 7 December 2012
- Symmetries in Differential Geometry and Mathematical Physics, University of Luxembourg, 3 - 6 September 2012
- Workshop on Gauge Theory and Noncommutative Geometry, University of Luxembourg, 19 - 21 June 2012
- Seminar Sophus Lie, University of Luxembourg, 15 - 16 June 2012
- PL² US Workshop, University of Luxembourg, 1 - 2 March 2012
- Winter School on Galois Theory, University of Luxembourg, 15 - 24 February 2012

2011

- Covariant Field Theory, University of Luxembourg, 6 - 8 December 2011
- Workshop on Equivariant Quantization, University of Luxembourg, 11 - 13 July 2011

- Noncommutative Harmonic Analysis and Representation Theory, University of Luxembourg, 14 - 17 June 2011
- Symplectic Geometry, University of Luxembourg, 19 May 2011

2010

- Bonn-Luxembourg-Strasbourg Days: Operads, University of Luxembourg, 4 - 5 October 2010
- Contributions in Differential Geometry, a round table in occasion of the 65th birthday of Lionel Bérard Bergery, University of Luxembourg, 6 - 9 September 2010
- Index Theory and Localization Formulas, University of Luxembourg, 12 - 13 July 2010
- Quantization and Drinfeld associators, University of Luxembourg, 28 April 2010
- Géométrie des crochets, University of Luxembourg, 28 - 29 January 2010

2009

- Third International Conference on Geometry and Quantization (GOQUANT Conference), University of Luxembourg, September 7 -11 2009
- International School on Geometry and Quantization (GEOQUANT School), University of Luxembourg, 31 August - 5 September 2009
- Hopf-in-Lux: Conference on Hopf algebras, University of Luxembourg, 13 - 17 July 2009
- Workshop on CR and Sasakian Geometry, University of Luxembourg, 24 - 26 March 2009

2008

- 10th Interregional Colloquium of Mathematics (Colloque interrégional de mathématiques), Luxembourg, 16 - 17 October 2008
- Krichever-Novikov Type Algebras and Related Subjects, University of Luxembourg, 9 - 11 June 2008

2004

- Conference on Poisson Geometry, University of Luxembourg, 7 - 11 June 2004

2002

- Conference on Harmonic Analysis, Universities of Luxembourg and Metz, 9 - 12 September 2002

Past conferences and Workshops (co-)organized by members of the Mathematics Research Unit:

2014

- Algebra, Deformations and Quantum Groups, University of Marseille, 1-5 December 2014
- Journées « Théorie des représentations des groupes de Lie », Université de Strasbourg-Lorraine-Luxembourg-Reims, 20-21 November 2014
- Graphs & Decisions, University of Luxembourg, 27-29 October 2014
- XXXIII Workshop on Geometric Methods in Physics, Bialowieza, Poland, 29 June - 5 July 2014
- Noncommutative Geometry and Mathematical Physics, Scalea, Italy, 16 - 20 June 2014
- Journées SL2R in representation theory and harmonic analysis, Metz, France, 3 & 4 April 2014
- GAP XII Sanya "Geometric Mechanics", Sanya, China 10 - 14 March 2014

2013

- International Year of Statistics' Conference, Parc Bellevue Luxembourg, 26 -27 November 2013
- Geoquant 2013, Vienna, Austria, 19 - 30 August 2013
- XXXII Workshop on Geometric Methods in Physics, Bialowieza, Poland, 30 June - 6 July 2013
- Noncommutativity and Physics Workshop 2013, Bayrischzell, 24 - 27 May 2013
- Explicit Methods for Modular Forms, Warwick, United Kingdom, 18 - 22 March 2013

2012

- 6th ECM Satellite Conference: 3Quantum: Algebra Geometry Information, Tallinn, Estonia 10 - 14 July 2012
- XXXI Workshop on Geometric Methods in Physics, Bialowieza, Poland, 24 - 30 June 2012
- 1st Joint Conference of the Belgian, Royal Spanish and Luxembourg Mathematical Societies, Liège, Belgium, 6 - 8 June 2012
- Harmonic and Complex Analysis and its Applications, HCAA 2012, Tenerife, Spain, 5 - 9 March 2012

2011

- GEOQUANT 2011, Beijing and Tianjin, China, 14 - 17 September 2011
- Computations with Modular Forms 2011, Summer School and Conference, University Heidelberg, 5 - 8 September 2011

- Geometry of Manifolds and Mathematical Physics, Uniwersytet Jagiellonski, Krakow, Poland, 27 June - 1st July 2011
- XXX Workshop on Geometric Methods in Physics, Białowieża, Poland, 26 June - 2 July 2011
- Nikolai Neumaier Commemorative Colloquium, LMIA, Mulhouse, France, 16 - 18 June 2011

2010

- Geometry and Physics VIII, Scalea, Italy, 13-17 September 2010 (co-organised by the Mathematics Research Unit)
- XXIX Workshop on Geometric Methods in Physics, Białowieża, Poland, 27 June - 3 July 2010

2008

- 9th Conference on Geometry and Topology of Manifolds, Krakow, Poland, 30 June - 5 July 2008

2007

- Algebraic Aspects in Geometry, Bedlewo, Poland, October 17 - 23, 2007
- Geometry, Complex Analysis and Quantization, International School-Conference, Moscow, Russia, 9-23 September 2007
- Analysis and Geometry on Lie groups. In honor of Jean Ludwig's 60th anniversary, Metz, France, 6 - 7 September 2007
- Workshop on Geometric Methods in Mathematical Physics, Białowieża, Poland, 1 - 7 July 2007
- 8th Conference on Geometry and Topology of Manifolds (Luxembourg-Poland-Ukraine conference): Lie algebroids, dynamical systems and applications, Przemysl (Poland), L'viv, Ukraine, 30 April - 6 May 2007
