## Instructions to authors

Manuscripts should be written in English, French or German, and printed in **Latex** style. The final Latex source files, on which the publication will be based, should be prepared by the authors in a prescribed format using the macro packages available at the web page of the journal [http://wwwen.uni.lu/recherche/fstc/unite\\_de\\_recherche\\_en\\_mathematiques](http://wwwen.uni.lu/recherche/fstc/unite_de_recherche_en_mathematiques)

Each paper must include an **abstract** of not more than 200 words, which should contain a brief but informative summary of the contents of the paper. If possible, this abstract should be written in English.

Authors should include in their papers one or more **classification numbers**, following the AMS Mathematics Subject Classification. Details of this scheme can be found in each Annual Index of Mathematical Reviews or on the web at <http://www.ams.org/msc>.

A few **key words** should also be indicated.

The manuscripts may be submitted either electronically or as hard copies (3 copies) to the following address:
